

Hamburg Center for Translational Immunology

Opening Symposium | 18th – 20th September 2024

Invitation

Hamburg Center for
Translational Immunology
(HCTI)

Universitätsklinikum Hamburg-Eppendorf

We are very happy to invite you to the

International Opening Symposium of the „Hamburg Center for Translational Immunology“ (HCTI).

This event will take place on **September 18th – 20th 2024** at the brand new HCTI research building.

The Symposium will cover a broad spectrum of topics, ranging from basic and translational research to in silico investigations, exploring both innate and adaptive immunity.

Confirmed invited speakers include: Erin Adams, Burkhard Becher, Liv Eidsmo, Sarah Gaffen, Axel Kallies, Wolfgang Kastenmüller, Christoph Kuppe, Marco Prinz, Francisco Quintana, Chiara Romagnani, Christina Zielinski.

For free registration and detailed information about the conference program, please scan the QR code or register at www.uke.de/hcti
